Work Experience

- 1/03 – Present **RBR Capital Advisors AG: Founder, CEO & CIO**
RBR Capital Advisors AG focuses on equity investments in Continental Europe. RBR has made it their mission to achieve double digit returns for their investors with a commensurate amount of risk taken. RBR is achieving this by building a diversified long portfolio of 30 to 35 positions. In order to mitigate market risk RBR selects around 20 to 25 names to complement the portfolio on the short side.
- The stock selection is a result of a top down assessment, a rigorous screening and bottom up research process which involves several hundred company management meetings per year. RBR is analyzing the key drivers of the businesses including potential catalysts, and anticipates the impact on the share price.
- RBR Capital Advisors is the adviser of the Cayman/Delaware based RBR European Long Short Ltd and manager of RBR European Long Short based in Luxembourg.
- 6/01 – 10/02 **Bank am Bellevue: Head of Research**
Rudolf assumed the responsibility of the institutional research product at Bank am Bellevue including the management of a team of 8 people.
- 5/97 – 6/01 **Bank am Bellevue: Analyst / Sales**
Rudolf was an analyst for equity research. He covered the following sectors: engineering, telecom and luxury goods. In addition, he sold the research product to a broad base of institutional clients in Switzerland, Scandinavia, UK and US.
- 5/95 – 5/97 **SBC Warburg: Graduate Trainee Program**
Rudolf worked in the treasury department as a junior trader and analyst. He gained material insight in all major FX and short term interest rate products. In addition, he participated in the Graduate Trainee Program of SBC Warburg with several learning modules in London, Zurich and Singapore.
